

FAISAL AL-HAMADI

Faisal is an Investment manager with 20 years of experience in corporate finance, investment management and financial advisory. He led and participated in situations required restructuring companies and investment portfolios.

Work Experience:

Faisal is currently the Head of Local Portfolio Department at Qatar Investment Authority since November 2018 and the Chief Investment Officer for the Pension fund at General Retirement & Social Insurance Authority in Qatar (2017). Before that, he was an advisor to the Supreme Council of Economic Affairs and Investments (SCEAI), which sets the economic policy and the capital allocation strategy for the state of Qatar (2015-17). SCEAI is chaired by HH the Emir and has the oversight for the financial sector, government investments and the energy sector.

Faisal was also the Head of Asset Management Group in Qatar Investment Authority where he managed money for the sovereign wealth fund of Qatar and managed portfolios across all asset classes (2006- 2014). He was also a lecturer in the college of economics and business Administration in Qatar University. Prior to that, he started his career working for Qatar Steel in corporate finance.
